YOUR 8 LEADERSHIP ASPECTS

What is your strongest preference?

How has this helped you to be successful as a Founder?

What is your lowest aspect?

What impact might this have on your leadership effectiveness?

LEVERAGING YOUR PERSONALITY

Think about where your business is heading over the next six months and some of the challenges you might have to face.

What aspects could you lean into to be more effective as a leader?

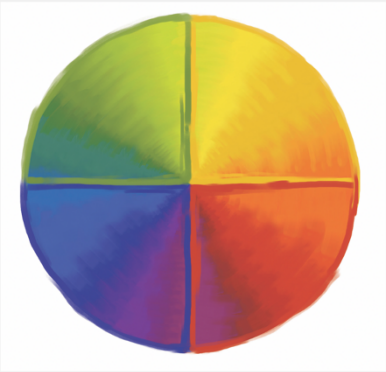

What impact could this have?

What specific actions could you take?

THE FOUR COLOUR ARCHETYPES

adapting to connect

Empowering Green

- collaborative
- accommodating
- calming
- engaging
- empathetic

Conscientious Blue

- measured
- controlling
- attention to detail
- contained
- prefer information in writing

Inspiring Yellow

- sociable
- positive
- spontaneous
- imaginative
- creative

Commanding Red

- direct
- bold
- focused
- competitive
- takes charge

STRENGTHENING RELATIONSHIPS

Think about someone who you would like to strengthen your relationship with.

What might be their dominant colour energy?

How could you adapt your approach to better:

- connect with them?
- strengthen the relationship?
- get the best out of them?

What specific actions will you take?
