

WIA Workshop Set Yourself Up for Success in 2022

Reflect on the past 12 months:

What achievement are you most proud of
- and how did you grow as a person?

What didn't work out so well?
- and what did you learn from it?

Create a compelling vision for 2022:

Fast forward 12 months to December 31st 2022.

Imagine that you had achieved many great things!

Then answer these statements:

I'm proud to have achieved...

I've grown as a person by...

I'm excited about...

Map out your success strategies:

STRATEGY	RATING (1=low/10=high)
1. Craft your own career direction	
2. Get comfortable being outside your comfort zone	
3. Partner with mentors	
4. Build a strong support network	
5. Use adversity to make you stronger	
6. Plan for important life responsibilities	
7. Continuously learn for self-development	

What are the 3 strategies you want to focus on in 2022?

- 1.
- 2.
- 3.

What impact do you think they could have on your success?

How will you know you've been successful?

Commit to your action plan:

STRATEGY	ACTIONS OVER NEXT 90-DAYS

Your word, slogan, or motto for 2022:

--

GOOD LUCK!
